Rowville Secondary College is looking forward to another great year of teaching and learning and would like to advise you of Rowville Secondary College's voluntary financial contributions for 2024.

Schools provide students with free instruction to fulfil the standard Victorian curriculum and we want to assure you that all contributions are voluntary. Nevertheless, the ongoing support of our families ensures that our school can offer the best possible education and support for our students. We want to thank you for all your support. This has made a huge difference to our school and the programs we can offer.

Within our school this support has allowed us to provide a wider offering of subjects and special curriculum experiences; enhanced digital learning opportunities; the upgrade of our Year 7 Centre; faster WIFI and internet including enhanced digital security, accessible and secure locker bays, expansion of the CCTV coverage for student safety, additional IT, grounds, and student services support staff.
